Dear Mr. Cariou:

Re: City-Owned Historic Building Management Plan

The Calgary Heritage Authority is supportive of the City-Owned Historic Building Management Plan in relation to Historic City Hall and the update provided to us on Oct 2, 2015.

Calgary's historic resources are precious and require attention today to ensure they are conserved for the future. A comprehensive, prioritized and strategic approach to The City's portfolio of heritage buildings shows leadership and sets a positive example. Consistent maintenance is key to preserving these structures, controlling costs and protecting The City's investments.

The CHA is pleased to see that this plan is moving forward and we are looking forward to the finished results.

Sincerely,

Josh Traptow
Executive Director
